NiQs - Hand Sanitiser Gel

SF30-compatible

332490

PRODUCT DESCRIPTION

BlackSatino NiQs hand sanitiser gel is a skin-friendly hand cleanser without added colours or fragrances.

With Cradle to Cradle certification and CO₂-neutralised manufacturing, its use contributes daily to reducing your organisation's environmental footprint.

The BlackSatino sanitiser gel offers optimum hygiene compared to open systems because all parts that come into contact with the disinfectant are replaced after the cartridge has been emptied.

This is also safer, because captive dispensers are locked and it is more difficult to remove the cartridge, preventing theft and improper handling of flammable materials.

Use biocidal products carefully. Always read the label and product information before use.

PRODUCT ATTRIBUTES

Colour	Nature
Coding	SF30
label / certification	Cradle to Cradle
EAN CU	4000735332557
Product	Hand Sanitiser Gel
gross weight (kg)	4.3
net weight (kg)	3.9
EAN-Case	8710561006329
Dimensions PU (mm)	171 x 296 x 220
Pieces / Pallet	90
Pallet	EURO
Contents	+/- 750 Cans
