SparQ - Hand Soap

PRODUCT DESCRIPTION

BlackSatino SparQ hand soap offers not just comfort and hygiene but also a pleasant fragrance experience. Together with BlackSatino SparQ, BlackSatino offers two surprising fragrance variations for soaps, toilet seat cleaners and air fresheners. These are no standard toilet fragrances, but specially developed perfumes for BlackSatino washrooms. The soap cartridges are hygienic, and easy and quick to replace.

Create an even better fragrance experience by alternating between SparQ and Qlash. This keeps the toilet users' sense of smell stimulated, with a positive impact on the overall toilet experience. SparQ has fragrance notes of lemon and lavender, heart notes of clove and tonka bean, and base notes of musk, cedar and sandalwood. The formula is an aromatic composition with sensual cool and warm tones of citrus and lavender, spices and oriental scents and wood, giving the fragrance a spicy and exotic character.

The SparQ and Qlash fragrances used in BlackSatino soaps, toilet seat cleaners and air fresheners are Cradle to Cradle certified. This means that they are 100% safe for people and the environment.
