SparQ - Air Freshener AR30-Compatibel

332280

PRODUCT DESCRIPTION

BlackSatino SparQ air fresheners provide an exclusive fragrance experience. Together with BlackSatino Qlash, BlackSatino offers two different fragrance variations for soaps, toilet seat cleaners and air fresheners. These are no standard fragrances, but specially developed perfumes for BlackSatino washrooms.

Create an even better fragrance experience by alternating between SparQ and Qlash. The toilet users' sense of smell stays stimulated, making the overall toilet experience positive.

SparQ has fragrance notes of lemon and lavender, heart notes of clove and tonka bean, and base notes of musk, cedar and sandalwood. The formula is an aromatic composition with sensual cool and warm fragrance notes of citrus and lavender, spices and oriental scents, giving the product a spicy and exotic character.

The SparQ and Qlash fragrances used in BlackSatino soaps, toilet seat cleaners and air fresheners are Cradle to Cradle certified. This means that they are 100% safe for people and the environment.

The air freshener system works without electronics and batteries and thus harmonises perfectly with the sustainable philosophy of BlackSatino.

PRODUCT ATTRIBUTES

Colour	Nature
Coding	AR30
label / certification	Cradle to Cradle Silver, CO2 neutral
EAN CU	4000735329274
Product	Air fresheners
