Dispenser for folded toilet paper - double *BT20 compatible*

332050

PRODUCT DESCRIPTION

The BlackSatino dispenser is specifically suitable for folded toilet paper. Due to its compact design with double capacity, this dispenser is suitable for small and larger washrooms with medium to higher visitor frequencies.

Folded toilet paper has a lower impact on the environment than standardised toilet paper rolls. The toilet paper packages have no cores, so no air is transported during delivery. There is also no core after use."

PRODUCT ATTRIBUTES
