PRODUCT DESCRIPTION

BlackSatino Original system toilet rolls offer the user optimum comfort and hygiene. These toilet rolls are produced CO_2 neutralised from recycled office paper as the most important raw material. The products are also supplied in user-friendly, easy-to-open packaging.

Through a recycling agreement, the office paper that is generated as waste in your organisation can be used as raw material for BlackSatino Original toilet paper. You are welcome to contact us for more information about such possibilities.
