PRODUCT DESCRIPTION

The BlackSatino SparQ toilet seat cleaners offer a pleasant fragrance experience in addition to hygiene. Together with BlackSatino Qlash, BlackSatino offers two different fragrance variations for soaps, toilet seat cleaners and air fresheners. These are no standard products, but specially developed perfumes for BlackSatino washrooms.

The soap cartridges are hygienic and very easy to use.

SparQ has fragrance notes of lemon and lavender, heart notes of clove and tonka bean, and base notes of musk, cedar and sandalwood. The formula is an aromatic composition with sensual cool and warm fragrance notes of citrus and lavender, spices and oriental scents, giving the product a spicy and exotic character.

The SparQ and Qlash fragrances used in BlackSatino soaps, toilet seat cleaners and air fresheners are Cradle to Cradle certified. This means that they are 100% safe for people and the environment.
